

The Benefits ...

The **benefits** for Clubs/Hotel Venue...

- (1) A very high quality, reliable, full function ATM at entry level price that is capable of expanding to your future business growth without replacing the ATM
- (2) You get a compact ATM, capable of being installed on a pedestal, or on top of the bar
- (3) Gives you access to account balance checks
- (4) Allows customers to make a transaction in private
- (5) Reduces burden on staff behind the bar, which helps to speed customer service
- (6) Removes cash from behind the bar, and places the cash into a safe
- (7) The ATM reduces amount of cash on premises, in effect banking this cash for you
- (8) Can help to increase profitability, both through bar, bistro and gaming
- (9) Present cost of EFTPOS is eliminated. (Please keep this cost reduction in mind when looking at the real cost of the ATM option)
- (10) Removes any burden of uncertainty with regards to responsible gaming issues
